### **2024 INFINITI QX60 delivers driver confidence, a luxurious cabin and advanced technology**

**MISSISSAUGA, Ont.** – Three rows of seating, confidence-inspiring driving technology and captivating design make the 2024 INFINITI QX60 a hit for families seeking an elevated level of luxury. The 2024 INFINITI QX60 is on sale now.

New to all 2024 INFINITI vehicles, lease or retail, sold in Canada, the QX60 includes an extended four-year complimentary INFINITI InTouch™ Services Premium package. Designed to elevate the INFINITI total ownership experience, this upgrade provides access to a variety of premium features, including remote engine start from the MyINFINITI app, automatic collision notifications, emergency calls within the vehicle, vehicle health reports and more.

The QX60, and all other INFINITI models and grades, also include the added convenience of the [Oil Change & Tire Rotation Plan](#)<sup>1</sup>. The integrated maintenance program enhances the ownership experience by including up to four years or 80,000 kilometers (whichever occurs first) of oil changes and tire rotations, building on INFINITI's top-rated customer service.

The 2024 INFINITI QX60 is available in four appealing grades, each of is equipped with INFINITI Intelligent All-Wheel Drive: PURE, LUXE, SENSORY and AUTOGRAPH. The QX60 is on sale now with a starting MSRP<sup>2</sup> of \$59,1954. (See full pricing details for all 2024 QX60 grades.)

#### **Designed around your life**

The 2024 INFINITI QX60 makes an instant impression. Its handsome, sculpted exterior is highlighted by an origami-inspired mesh grille, lighting signatures evoking digital piano keys and an available contrasting roof. Standard 18-inch wheels and two styles of available 20-inch wheels further accentuate the model's striking stance. QX60's lines are complemented by a

selection of alluring exterior colour choices including Mineral Black, Graphite Shadow, Warm Titanium, Moonbow Blue, Deep Bordeaux, Majestic White, Glacier White and Grand Blue. The AUTOGRAPH grade additionally features a two-tone treatment with Black Obsidian upper bodywork.

The inside of QX60 has an elevated design, and seats up to seven passengers (six in AUTOGRAPH with available second-row captain's chairs). Available semi-aniline leather-appointed seats, open-pore wood and ambient lighting elevate the experience. INFINITI Zero Gravity-inspired front seats help deliver comfort over journeys long or short, while Sensory & Autograph further enhance the focus on comfort for front passengers with climate-controlled massaging seats. The second-row seats handily tilt and slide to provide easy access to the third row, without the need to remove a child safety seat<sup>3</sup>.

The INFINITI QX60 accommodates everything you need for a cross-country road trip or just errands across town, with up to 75.4 cubic feet of storage space (second and third rows folded)<sup>4</sup>. Access to the generous trunk is further made easier by a standard power liftgate with available motion-activated liftgate feature, a bonus when accessing the vehicle with hands full.

#### **Confident power and control**

The INFINITI QX60 complements its beauty with a powerful, responsive 3.5-liter direct-injected V-6 engine, producing 295 horsepower and 270 lb-ft of torque, paired with a 9-speed automatic transmission. The engine equipped with a heavy duty tow-package allows the Sensory & Autograph grades of QX60 to tow up to 6,000 lbs, whilst the Pure & Luxe are able to tow up to 3,500 lbs respectively. To further tailor the drive experience, drivers can select between five different drive modes, including Sport and Snow modes, and standard paddle shifters allow additional control over the transmission. Standard Intelligent All-Wheel Drive can direct up to 50% of available power to the rear wheels to help optimize traction in varying circumstances<sup>6</sup>.

#### **Peace of mind comes standard**

An additional layer of confidence comes from the long list of standard safety technologies equipped on every INFINITI QX60 grade. Standard safety features include Forward Emergency Braking with Pedestrian Detection, Predictive Forward Collision Warning, Rear Cross-Traffic Alert, Rear Automatic Braking, Blind Spot Warning, Lane Departure Warning and High Beam Assist.

In addition, QX60 is available with numerous advanced driver-assistance technologies including Intelligent Around View® Monitor with Moving Object Detection, a Smart Rear View Mirror providing a less-obstructed view behind the vehicle<sup>6</sup>, Driver Attention Alert and Traffic Sign Recognition. Finally, available [ProPILOT Assist](#) with Navi-link supports the driver during single-lane highway driving for a less fatiguing driving experience<sup>7</sup>.

#### Connected to your life

Like all INFINITI models, the QX60 appeals to drivers and passengers alike with integrated technologies that enable productivity and connectivity. All grades include INFINITI InTouch™<sup>8</sup> with a 12.3-inch high definition interactive display featuring wireless Apple CarPlay® and USB-based Android Auto™. To keep key information in the driver's line of sight, QX60 also has an available 12.3-inch Dynamic Meter Display and an available 10.8-inch head-up display<sup>9</sup>.

QX60 features an abundance of USB ports<sup>10</sup> for all three rows of seats, with a total of five in PURE and LUXE, and six in the SENSORY and AUTOGRAPH grades. For the driver and front passenger, a standard wireless device charging pad is also included on all grades.

Standard on SENSORY and AUTOGRAPH, a Bose® Performance series 17-speaker audio system fills the cabin with bold, immersive sound to engage and entertain everyone on board.

The 2024 INFINITI QX60 is on sale now. For full details on the features included on each grade level, see the [full specification sheet](#).

<sup>2</sup> All prices are Manufacturer's Suggested Retail Price (MSRP). MSRP excludes \$2,495 destination and handling charge, tax, title, license [and options]. Retailer sets actual price.

<sup>3</sup> Do not perform slide forward function with the Child Restraint System occupied.

<sup>4</sup> Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

<sup>5</sup> Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions.

<sup>6</sup> Smart RearView Mirror may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

<sup>7</sup> ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.
