### **2023 INFINITI QX80 arrives with new Amazon Alexa functionality and starting MSRP of \$84,095**

MISSISSAUGA, Ont. – As the flagship SUV of the INFINITI lineup, the QX80 delivers a bold blend of luxury and capability and is further refined for 2023 adding haptic steering-wheel feedback for the Lane Departure Warning system and the convenience of built-in Amazon Alexa®, helping customers simplify and organize their lives.

Alexa can play music, place calls, control smart home devices and more, with only voice commands. The 2023 INFINITI QX80 is now available at retailers across Canada with a starting MSRP<sup>1</sup> of \$84,095.

The INFINITI QX80 was refined last year with the addition of a widescreen, high-definition 12.3-inch INFINITI InTouch display that includes navigation, wireless Apple CarPlay® and USB-based Android Auto™ compatibility.

The 2023 INFINITI QX80 is available in two grade levels, LUXE and ProACTIVE. The QX80 has a standard 400-horsepower, 5.6-litre V8 engine with a 7-speed automatic transmission and is rated to tow up to 8,500 pounds.

For added reassurance, every QX80 features a standard suite of active safety technology including Forward Emergency Braking with pedestrian detection, Blind Spot Warning, Lane Departure Warning with haptic steering wheel, High Beam Assist, and Around View® Monitor with Moving Object Detection.

The QX80 LUXE starts at \$84,095 MSRP and is generously equipped with 20-inch wheels, a Bose® 17-speaker audio system, a wireless phone charging pad, semi-aniline leather-appointed seating with Charcoal Burl trim, a power liftgate and much more.

The QX80 ProACTIVE (\$92,095) is the ultimate INFINITI full-size SUV experience with 22-inch wheels, a dark chrome grille, Hydraulic Body Motion Control suspension system, Advanced Climate Control System with auto-recirculation and more.

The above MSRP excludes \$2,495 destination and handling.
