### 2025 INFINITI QX60 pricing starts at \$60,345

#### Three-row crossover adds striking Black Edition package and additional equipment

**MISSISSAUGA, Ont.** – The 2025 INFINITI QX60 makes a bold play for families seeking a refined and elegant three-row crossover with the addition of a Black Edition trim and a more fuel-efficient engine standard on all grades. The 2025 INFINITI QX60 arrives in showrooms this month with a starting MSRP<sup>1</sup> of \$60,345.

The 2025 INFINITI QX60 offers buyers a choice of five appealing grades, each of which is equipped with INFINITI Intelligent All-Wheel Drive<sup>2</sup>. For added reassurance, every QX60 features a standard suite of active safety technology including Forward Emergency Braking with Pedestrian Detection, Rear Automatic Braking, Blind Spot Warning, Lane Departure Warning and High Beam Assist.

New for this year, all QX60 grades now feature a new key fob design with approach unlock and walkaway locking functionality. When enabled, this feature automatically locks or unlocks the vehicle, as appropriate, by detecting when someone with the key fob walks up to or away from the QX60.

The 2025 INFINITI QX60 PURE starts at \$60,345 and offers standard AWD alongside a generous list of equipment including leather-appointed first- and second-row seating, heated front and second row seats, a heated and leather-wrapped steering wheel, tri-zone automatic climate control and INFINITI InTouch™ featuring a 12.3-inch touchscreen with Android Auto™, wireless Apple CarPlay®, SiriusXM® Radio and nine speakers.

Stepping up to the QX60 LUXE grade (\$64,345) augments the model's appeal with the addition of 20-inch wheels, a 12.3-inch INFINITI Dynamic Meter Display, remote engine start, ProPILOT Assist with Navi-link<sup>3</sup>, Around View® Monitor with Moving Object Detection<sup>4</sup> and more.

The newly added Black Edition trim (\$66,645) enhances the QX60's appearance with gloss black 20-inch wheels, plus gloss black roof rails, grille surround and exterior emblems. An illuminated INFINITI emblem in the front grille is surrounded by bright chrome trim, complementing illuminated kickplates and Welcome Lighting. A black headliner completes the Black Edition treatment on the inside of the cabin; on the outside, clients select from Mineral Black, Majestic White or new-for-2025 Harbor Gray paint.

The 2025 INFINITI QX60 SENSORY (\$70,445) builds on the well-equipped LUXE and Black Edition grades with the addition of climate controlled, massaging front seats, a motion-activated liftgate, open pore ash wood-appointed interior trim, enhanced interior ambient lighting plus a head-up display and a Smart Rear View Mirror that provides a less-obstructed view behind the vehicle<sup>5</sup>.

As the ultimate expression of the QX60, the AUTOGRAPH grade (\$72,845) delights with semi-aniline leather-appointed seating for the first and second rows, with quilting, perforation and contrast stitching. It features second-row captain's chairs as standard.

To prepare for clients who desire to tow, all grades of the 2025 QX60 have a towing rating of up to 6,000 pounds<sup>6</sup> while the QX60 Sensory and AUTOGRAPH grades are additionally equipped with a trailer hitch receiver and harness.

<sup>1</sup> All prices are Manufacturer's Suggested Retail Price (MSRP). MSRP excludes \$2,495 freight and PDI charge, tax, title, license and options. Retailer sets actual price.

<sup>2</sup> Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions.

<sup>3</sup> ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.

<sup>4</sup> Around View Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information.

<sup>5</sup> Smart RearView Mirror may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

<sup>6</sup> Towing varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Always secure cargo.
