2025 INFINITI QX60 pricing announced for Canada

Three-row crossover adds striking Black Edition package and additional equipment

MISSISSAUGA, Ont. – The 2025 INFINITI QX60 makes a bold play for families seeking a refined and elegant three-row crossover with the addition of a Black Edition trim and a more fuel-efficient engine standard on all grades. The 2025 INFINITI QX60 arrives in showrooms this month with a starting MSRP¹ of CA\$60,345 (CA\$63,898 selling price²)

The 2025 INFINITI QX60 offers buyers a choice of five appealing grades, each of which is equipped with INFINITI Intelligent All-Wheel Drive³. For added reassurance, every QX60 features a standard suite of active safety technology including Forward Emergency Braking with Pedestrian Detection, Rear Automatic Braking, Blind Spot Warning, Lane Departure Warning and High Beam Assist.

New for this year, all QX60 grades now feature a new key fob design with approach unlock and walkaway locking functionality. When enabled, this feature automatically locks or unlocks the vehicle, as appropriate, by detecting when someone with the key fob walks up to or away from the QX60.

The 2025 INFINITI QX60 PURE MSRP¹ starts at \$60,345 (CA\$63,898 selling price²) and offers standard AWD alongside a generous list of equipment including leather-appointed first- and second-row seating, heated front and second row seats, a heated and leather-wrapped steering wheel, tri-zone automatic climate control and INFINITI InTouch™ featuring a 12.3-inch touchscreen with Android Auto™, wireless Apple CarPlay®, SiriusXM® Radio and nine speakers.

Stepping up to the QX60 LUXE grade with an MSRP¹ of CA\$64,345 (CA\$67,898 selling price²) augments the model's appeal with the addition of 20-inch wheels, a 12.3-inch INFINITI Dynamic Meter Display, remote engine start, ProPILOT Assist with Navi-link⁴, Around View® Monitor with Moving Object Detection⁴ and more.

The newly added Black Edition trim, with an MSRP¹ of CA\$66,645 (CA\$70,198 selling price²) enhances the QX60's appearance with gloss black 20-inch wheels, plus gloss black roof rails, grille surround and exterior emblems. An illuminated INFINITI emblem in the front grille is surrounded by bright chrome trim, complementing illuminated kickplates and Welcome Lighting. A black headliner completes the Black Edition treatment on the inside of the cabin; on the outside, clients select from Mineral Black, Majestic White or new-for-2025 Harbor Gray paint.

The 2025 INFINITI QX60 SENSORY, MSRP¹ starts at CA\$70,445 (CA\$73,998 selling price²) builds on the well-equipped LUXE and Black Edition grades with the addition of climate controlled, massaging front seats, a motion-activated liftgate, open pore ash wood-appointed interior trim, enhanced interior ambient lighting plus a head-up display and a Smart Rear View Mirror that provides a less-obstructed view behind the vehicle⁶.

As the ultimate expression of the QX60, the AUTOGRAPH grade, with an MSRP of \$72,845 (CA \$76,398 selling price²) delights with semi-aniline leather-appointed seating for the first and second rows, with quilting, perforation and contrast stitching. It features second-row captain's chairs as standard.

To prepare for clients who desire additional towing capacity, SENSORY and AUTOGRAPH grades of the 2025 QX60 have a towing rating of up to 6,000 pounds⁷ and are additionally equipped with a trailer hitch receiver and harness.

For detailed specifications, pricing, photos, and videos, please see the full 2025 INFINITI QX60 press kit.
