

At a Glance: 2014 Infiniti Q60 Convertible

The 2014 Infiniti Q60 Convertible, formerly known as the G Convertible, remains one of the most seductive vehicles in its class. Created around the central idea that a luxury performance convertible should look equally inviting with its top up or down – and be equally enjoyable to drive with the roof up or down – the Q60 Convertible combines grace and performance with signature Infiniti attention to detail.

Though based on the popular Infiniti Q60 Coupe, the Q60 Convertible offers a unique design from the A-pillars back, including extensive structural reinforcements, a wider rear track, modified rear suspension and a special convertible-focused interior with rear Pop-up Roll Bars, Bose® front seat Personal Speakers and available wind deflector and climate-controlled front seats.

The inviting Q60 Convertible interior includes standard leather-appointed seating and Bose® Open Air Sound System that dynamically changes equalization based on outside noise, vehicle speed, and top position, and an adaptive climate control system that adjusts fan speed in accordance to top position and vehicle speed.

Technology features include standard RearView Monitor and available Pre-Crash Seat Belts and Intelligent Cruise Control with Preview Braking. The Q60's available Infiniti Navigation System with next generation technology and high resolution display screen features Streaming Audio via Bluetooth® and the Zagat® Restaurant Guide. This navigation system also includes a touch screen and Voice Recognition. .

Every Q60 Convertible comes equipped with a standard 3.7-litre VQ-series V6 with VVEL (for Variable Valve Event and Lift) rated at 325 horsepower. The engine is backed by a choice of an electronically controlled 7-speed automatic transmission with available solid magnesium paddle shifters or a responsive close-ratio 6-speed manual transmission. The Q60 Convertible Sport MT adds sport-tuned steering and larger sport brakes and 18- and 19-inch aluminum-alloy wheel design and W-rated performance tires are standard.
