

At a Glance: 2015 Infiniti Q70

The Infiniti Q70 performance luxury sedan lineup expands, literally, in 2015 with the arrival of the new Q70L – a long-wheelbase version of Infiniti's flagship sedan with an additional 5.6 inches (143mm) (need mm) of rear seat legroom. Designed for buyers looking for the cabin space of a sporty utility in a luxury sedan, the new Q70L is offered in one models: Q70L 5.6 AWD. For full information and specifications on the Infiniti Q70L, please visit InfinitiNews.com.

Along with the new extended wheelbase version, there is a wide range of enhancements to the standard 2015 Infiniti Q70 – starting with updated exterior styling and the addition of several of Infiniti's pioneer technologies, such as Predictive Forward Collision Warning (PFCW) and Backup Collision Intervention (BCI).

The Q70's revised exterior includes new front and rear fascias, new grille design, Infiniti signature LED headlights, LED taillights, LED fog lights and side rearview mirrors with integrated LED turn signals. The Sport model also receives new sport front and rear fascias. In addition, three new exterior colours have been added for 2015: Hermosa Blue, Chestnut Bronze and Asgard Grey. A special premium Pearl finish is also available with the Aspen Pearl exterior.

The 2015 Infiniti Q70 also includes revised 18-inch aluminum-alloy wheel designs and standard Around View® Monitor with Moving Object Detection (MOD) and available Forward Emergency Braking (FEB).

The 2015 Q70 3.7 is offered with Infiniti's Intelligent All-Wheel Drive system. The Q70 3.7 features a 330-horsepower 3.7-litre V6 engine-litre. This engine feature Infiniti's advanced VVEL (Variable Valve Event & Lift) system and all models are equipped with a standard 7-speed automatic transmission.

The Q70 3.7 Sport, offers standard all-wheel drive and a sport-tuned suspension, Sport Brakes, 20-inch wheels and tires and more.

The 2015 Infiniti Q70 also remains a showcase for Infiniti's advanced, user-focused technologies, including an Infiniti Drive Mode Selector, a four-mode driver-selectable control of throttle and transmission mapping that helps optimize vehicle performance; Active Noise Control, which reduces undesirable engine harmonics,

providing a quieter cabin; Blind Spot Warning (BSW), which helps alert the driver if another vehicle is detected in the blind spot area; Blind Spot Intervention® (BSI) that, in addition to the Blind Spot Warning, helps the driver return the vehicle back toward the centre of the lane of travel; Eco Pedal, which provides driver feedback to encourage eco-driving behavior; and Active Trace Control, which adjusts engine torque and utilizes braking at each of the four wheels to help enhance cornering performance.

The Infiniti Q70 also comes standard with Infiniti Hard Drive Navigation System and offers Bose® Studio Surround® premium audio system, Intelligent Cruise Control (Full-Speed Range), Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) systems, Distance Control Assist (DCA), Intelligent Brake Assist (IBA) with Forward Collision Warning (FCW) and Front Pre-Crash Seat Belts.

The Q70's dramatic sports styling provides a coefficient of drag of just 0.27 Cd, while the roomy, comfortable interior environment features leather-appointed seating, standard Japanese Ash wood trim or available silver powdered genuine White Ash wood trim and available premium audio and climate control systems.

Key standard features include leather, climate-controlled front seats, Bose 2-channel, 10-speaker Premium Audio system, data system (RDS) and speed sensitive volume control, RearView Monitor, Infiniti hard drive navigation system, streaming audio via bluetooth, Infiniti Voice Recognition for audio, navigation, and video information system as well as Infiniti Connection™ services, which include the Infiniti Personal Assistant™, a 24/7 personal concierge service, Infiniti Intelligent Key with Push Button Ignition, SiriusXM Satellite Radio (SiriusXM subscription required, sold separately), Bluetooth® Hands-free Phone System and power sliding glass tinted moonroof.

The standard wheelbase Q70 is offered in three Q70 models: Q70 3.7 AWD, Q70 3.7 AWD Sport and Q70 Hybrid. For full information and specifications on the Q70 Hybrid, please visit InfinitiNews.com.
